

Make an Action Plan

Create a personal action plan to record your Kudos results and help you think about the goals that you need to achieve in the future.

About me

Fill in your details and record your own career ideas.

My subjects and education

Enter the subjects that you are studying along with your expected grades plus your future study and training plans.

My suggested career ideas

Your top ten careers based on your answers so far.

My career goals

Think about the goals that you need to achieve. You can also record other thoughts and ideas that you want to discuss with a teacher or adviser.

Don't forget to  Save changes

You can email your action plan to your inbox and send a copy to your teacher or adviser. Print a copy and add it to your personal portfolio or use it to help you discuss your ideas and plans with your teachers, adviser, parents/carers and friends.

Finished using Kudos?

To end your session click the Log out link at the top of the screen. Click [Log out now](#) to secure your information.

Don't forget you can return to Kudos at any time using your username and password.

Log on from anywhere with Internet access to change your answers, complete extra sections or look at other careers.

Remember...

Kudos gives you new careers ideas to explore, it cannot tell you what career you should do.

Discuss your results and ideas with other people who can help you make decisions about your future.

We hope that you enjoy using Kudos and wish you luck with your future plans.

Have you tried Careerscape?

Want more information on careers?

Need help with education or training options?

Want to find out about Higher Education courses?

Interested in finding out what careers each of your subjects are useful for?

Want to explore areas of work like Retail, Law or the Textile Industry?
