

## Student Handout

Using the information in Launchpad, find the following jobs and, in your groups, answer the questions.

## Bricklayer

You can find 'bricklayer' in the **Building and Construction** career area.

Use the career information and photographs to answer the following questions:

1. What sort of skills do you think would be required for this job?

2. What is the required qualification level for this job?

3. What is the typical salary range for this job?

4. Do you think this job would be more suitable for a man or a woman? Why?

Use the bricklayer case study to answer the following questions:

1. What does Gillian like about her job?

2. What does she dislike about her job?

## Primary Teacher

You can find 'primary teacher' in the **Education and Training** career area.

Use the career information and photographs to answer the following questions:

1. What sort of skills do you think would be required for this job?

2. What is the required qualification level for this job?

3. What is the typical salary range for this job?

4. Do you think this job would be more suitable for a man or a woman? Why?

Use the primary teacher case study to answer the following questions:

1. What does Ramon like about his job?

2. What does he dislike about his job?

## Army Officer

You can find 'army officer' in the **Security and Armed Forces** career area.

Use the career information and photographs to answer the following questions:

1. What sort of skills do you think would be required for this job?

2. What is the required qualification level for this job?

3. What is the typical salary range for this job?

4. Do you think this job would be more suitable for a man or a woman? Why?

Use the army officer case study to answer the following questions:

1. What does Heather like about her job?

2. What does she dislike about her job?
